**Date:** 1/23/02 2:22pm  
**Subject:** Microsoft Settlement

I strongly urge you to reject the proposed settlement between Microsoft and the Department of Justice. I agree with every word of dissent outlined in Dan Kegel's letter (<http://www.kegel.com/remedy/letter.html>) though I could not myself so thoroughly document the many problems associated with the proposed settlement.

Thank you for your attention.

Sincerely,

Matthew C. Rees
